# Journal citation network based on openly available Crossref data

# Demonstration

- Journals:
  - *Journal of Informetrics* (Elsevier)
  - *Scientometrics* (Springer Nature)
- Time period: 2007-2016
- Data sources:
  - Dimensions
  - Crossref
  - OCC (OpenCitations Corpus)
  - COCI (OpenCitations Index of Crossref open DOI-to-DOI references)

# Coverage of publications and citations for each data source

# Wish list for improving open data sources

- Expanding coverage of publications (OCC)
- Opening citations (Crossref)
- Opening other metadata, e.g. abstracts (Dimensions, Crossref, OCC)
- Improving completeness and standardization of metadata (Crossref)
- Speeding up APIs
